Where Excellence Never Rests

Gujarat's First International Heart Transplant

07th August, 2025

History was made in Gujarat with the first-ever International Heart Transplant performed on a **21-year-old patient from Iraq, named Nooralhuda.**

The Kidney Transplant Marathon

06th to 08th August, 2025

The five transplants were accomplished through the selfless contribution of **three cadaver donors** and **two living donors**.

Each donation stands as an extraordinary gift of life and a testament to the power of generosity, offering renewed hope to patients and their families.

The Liver-Kidney Legacy

06th August, 2025

The series began on 6th August with a cadaver liver transplant, performed alongside a kidney transplant from the same donor.

At Marengo CIMS Hospital, this single act of generosity became a coordinated effort that brought time, vitality, and hope to two different lives.

The Miracle of Sight Restored

07th August, 2025

Two individuals who had been living in darkness opened their eyes to a new world, thanks to eye donations.

For one, it meant seeing loved ones' faces clearly for the first time in years; for the other, it was the return of independence once thought lost.

Beyond Medicine:
A Celebration of Human Spirit & Teamwork

The Marengo CIMS Hospital team is always ready to heal, serve, and give second chances. Your choice to donate an organ could be the chapter that turns someone's ending into a new beginning - a chance to pass the baton of life to those still running their race.
