NOTES:

Please read this before coming for your Health Check

- All health checkups are conducted by prior appointment only.
- The entire process of check-up lasts about 5-6 hours if appointment is taken in advance. If no appointment is taken, then the process will last for about 6-8 hours depending on the package. So we request a prior appointment.
- Eye lenses, if any, should be removed before coming for check-up.
- You are advised to wear loose and comfortable clothing. Remove jewellery before coming for health check-up.
- Kindly bring along previous medical records, if any. Also bring any hearing aids, visual aids like spectacles or any other aids that you use.
- Any Additional investigations or consultation will be conducted on OPD, after completion of health checkup.
- Additional tests, investigations or consultation can be conducted on request or requirement, but they will be billed in addition to the cost of your health check package.
- There will be no change in tariff once the patient is registered under a package. In case a test which is part of the package cannot be conducted due to medical / other reasons, the change of the test amount will be non-refundable.
- Please do not take anything except water after 10 pm the night prior to an appointment and do come by 8 am on the appointment day.
- Light dinner on the previous night is recommended.
- A small stool sample should be brought in the provided container.
- Breakfast/snacks will be served after collection of blood samples in all packages.
- Lunch will be provided in all packages except in Cardiac Screening, Basic Screening & Basic-I.
- In Advanced Package, MRI will be done only after orthopaedic doctor's suggestion.
- If you are above 45 years, jogging shoes will be required for the Tread Mill Test.
- An authorization letter from your Company is required for cashless facility. Also, bring a xerox of your Company's ID proof or Govt. photo ID proof.
- Men are requested to shave their chest to ensure a good ECG/Tread Mill Test. However if not done, it will be done at the hospital.
- For Ladies: The Hospital shall not conduct certain investigations like X-ray for pregnant women. PAP Smear test can not be done during menstruation.
- For tests not included in your selected package a 20 % discount will be offered (conditions apply)
- USG Breast Test will be done for female less than 40 years and a mammogram will be conducted for females above 40 years.
- If MRI / CT Scan / Endoscopy are not included in your selected package a 10% discount will be offered (conditions apply), if you opt for the same.
