Sharing Knowledge
Saving Lives
www.cims.org

MESSAGE FROM CHAIRMAN/PROGRAMME DIRECTOR

Dr. Keyur Parikh
Chairman

Dr. Satya Gupta
Programme Director

First of all, we would like to thank the entire medical fraternity for their continual support and success of CIMS Learning Centre, now in its fifth year.

It has been our endeavor to have a multitude of symposium catering to the needs and demands of all and creating a wide base of knowledge enhancement and ultimately impacting patient care and practice.

We are taking great care each year to add newer dimensions and newer topics to cater to a variety of disciplines. All symposiums are specifically being designed to create an interactive and case-based forum. Such a format lends a lot to enjoyment of all attendees and enriching experience.

We again hope to have an encouraging response this year.

For any query, please feel free to get in touch with us.

Regards,

Dr. Keyur Parikh & Dr. Satya Gupta

ABOUT CIMS

Care Institute of Medical Sciences (CIMS) has established itself as one of the finest multi-super specialty hospital of Western India to deliver the highest standards of nursing and medical care.

Providing a wide spectrum of medical care, CIMS is a 350 plus bed hospital facility, spread across two wings, CIMS West and CIMS East.

Equipped with latest international technology, CIMS boasts of digitised ICUs and OTs (first time in Gujarat), most sophisticated radiation centre, latest diagnostic technology of MRI, CT scan, Cath Labs, etc. Offering world-class facilities, CIMS is a team work of medical, nursing, para medical and administration to take care of patient with Care, Courtesy, Compassion and Competency.

Delivering the highest standards of global healthcare, CIMS Hospital is accredited by JCI – Joint Commission International (USA), NABH (National Accreditation Board for Hospitals & Healthcare Providers) and NABL (National Accreditation Board for Testing and Calibration Laboratories) for providing quality healthcare and patient safety across India.

Vision

To be one of the most trusted hospital in India by providing personalized care for best patient experience.

Mission

To provide superior quality health Care using Innovation to Manage and Save lives.

Values

- Patient's well-being: It will be our topmost priority
- To serve with smile
- Adopt and encourage ethical practices
- Provide a safe and comfortable working environment to employees and associates
- Embrace technology and innovation in the delivery of healthcare
- Provide socially responsible and safe healthcare
- Comply with all applicable laws and regulations

MEDICAL COURSES

Echocardiography Fellowship Programme

Course Directors	:	Dr. Satya Gupta / Dr. Milan Chag / Dr. Tejas V. Patel / Dr. Vineet Sankhla
Date	:	One Week (Monday to Saturday)
Duration	:	6 days
Number of Seats	:	15
Venue	:	CIMS Auditorium

Programme Overview:

Sights and Sounds of Echocardiography at CIMS Hospital is a premier education course for Echocardiologists, Fellows in training, and Physicians in clinical practice. Over the past few years, we have trained and taught more than 1000 candidates. This unique programme is intended for those who want to learn Echocardiography right from basics. Overall programme includes lectures on basics of Echocardiography, theoretical and practical aspects of Ischemic, Valvular and Congenital Heart Disease in relation to Echocardiography and hands-on supervised training. This is the star educational programme of the CIMS Learning Centre and has been appreciated worldwide.

Programme Highlights:

- 6 days extensive teaching of Echocardiography
- Easy access to Faculty Members
- Supervised hands-on practice
- Provision of course materials (Textbook of Echocardiography)

Schedule of Echocardiography Fellowship 2019

Month	Start Date	End Date
February	18-02-2019	23-02-2019
April	22-04-2019	27-04-2019
June	24-06-2019	29-06-2019
September	23-09-2019	28-09-2019
November	25-11-2019	30-11-2019

Online registration & payment on www.cims.org/clc

Registration Fees : ₹ 35,000/-*

> Certificate of attendance will be given at the end of the course.

* Hotel Registration Separate

Basic ECG Learning Course

Course Directors	:	Dr. Ajay Naik / Dr. Vipul Kapoor / Dr. Tejas V. Patel / Dr. Vineet Sankhla
Date	:	February 10, 2019 (Sunday)
Duration	:	1 day
Number of Seats	:	50
Venue	:	CIMS Auditorium

Programme Overview:

It is important to have a sound knowledge and correct interpretation of 12-lead ECG to help in diagnosis and management of medical patients. This necessitates that not only specialists, but also other healthcare professionals like General Practitioners, Interns, Post-graduate Students, Nurses and Paramedical Staff should have basic understanding of ECG for timely diagnosis. The Basic ECG course has been designed to provide understanding on basic concepts of 12-lead ECG which will be very useful in treating Ischemic and Rhythm Disorders of heart.

Programme Highlights:

- Interpretation of Basic ECG
- Conduction Defects
- Chamber Hypertrophy & Enlargement
- Evaluation of Tachycardia and Bradycardia
- ECG interpretation of Ischemic Heart Disease

Online registration & payment on www.cims.org/clc

Registration Fees : ₹ 500/-

Spot Registration Fees : ₹ 1,000/-

Non-refundable

> Certificate of attendance will be given at the end of the course.

For any query, please email on : clccommunications@cimshospital.org

Infections in Immunocompromised Patients

Course Director	:	Dr. Surabhi Madan
Date	:	March 10, 2019 (Sunday)
Duration	:	1 day
Number of Seats	:	50
Venue	:	CIMS Auditorium

Programme Overview:

This programme will cover various infections which occur in immunocompromised hosts, including patients with HIV, transplant recipients, patients on immunosuppressive drugs, etc. This programme will benefit all those who are involved in treatment of this group of patients. Discussion will be based on clinical cases.

Programme Highlights:

- Prophylaxis/ Vaccination in immunocompromised patients
- Infections in organ transplant patients
- Infections in HSCT recipients
- Infections in HIV patients
- Infections in patients on steroids and other immunosuppressants

Online registration & payment on www.cims.org/clc

Registration Fees : ₹ 500/-

Spot Registration Fees : ₹ 1,000/-

Non-refundable

> Certificate of attendance will be given at the end of the course.

For any query, please email on : clccommunications@cimshospital.org

PFT Workshop: Basic to Advanced

Course Directors	:	Dr. Amit Patel / Dr. Nitesh Shah / Dr. Kalpesh Panchal
Date	:	March 31, 2019 (Sunday)
Duration	:	1 day
Number of Seats	:	50
Venue	:	CIMS Auditorium

Programme Overview:

To educate Doctors about the importance of Pulmonary Function Testing in Respiratory Diseases, particularly its role in management of Bronchial Asthma, Chronic Obstructive Pulmonary Disease (COPD), Interstitial Lung Disease and its role for Pre - operative Pulmonary Assessment.

Programme Highlights:

Lectures on basic PFTs like Spirometry and Advanced PFTs like Lung Volume and Diffusion Capacity. It will include recommendations by ATS/ERS demonstration of manoeuvres and severity assessment based on values. It will also have hands-on session.

Online registration & payment on www.cims.org/clc

Registration Fees : ₹ 500/-

Spot Registration Fees : ₹ 1,000/-

Non-refundable

> Certificate of attendance will be given at the end of the course.

For any query, please email on : clccommunications@cimshospital.org

Essentials of Emergency Care

Course Directors	:	Dr. Sanjay Shah / Dr. Bhagyesh Shah / Dr. Neelam Chaudhary / Dr. Dharmesh Bhatti
Date	:	June 09, 2019 (Sunday)
Duration	:	1 day
Number of Seats	:	50
Venue	:	CIMS Auditorium

Programme Overview:

Emergency medicine is nowadays becoming an important speciality in developed countries like India which is dedicated to diagnosis & treatment of unforeseen illness or injury. Each and every health-care provider should have the knowledge to identify and treat basic emergency condition. This course is designed to provide conceptual and evidence-based knowledge and training to diagnose as well as treat medical emergency. We have many interactive sessions & discussions on protocol-based approach, management and recent advances of many emergency conditions as well as training on an emergency ultrasound.

Programme Highlights:

- Ideal emergency department & its need
- Essentials of primary emergency care
- Protocol-based management and recent advances of many medical emergencies
- Medicolegal aspect of emergency department
- Emergency ultrasound

Online registration & payment on www.cims.org/clc

Registration Fees : ₹ 500/-

Spot Registration Fees : ₹ 1,000/-

Non-refundable

> Certificate of attendance will be given at the end of the course.

For any query, please email on : clccommunications@cimshospital.org

Music Of Heart & Lung: Enhance Your Skills By Experts (Audio Clips to sharpen your Auscultation Skills)

Course Directors

Cardiologists	:	Dr. Satya Gupta / Dr. Vipul Kapoor / Dr. Tejas V. Patel / Dr. Keyur Parikh / Dr. Milan Chag / Dr. Urmil Shah / Dr. Hemang Baxi / Dr. Anish Chandarana / Dr. Ajay Naik / Dr. Vineet Sankhla
Pulmonologists	:	Dr. Nitesh Shah / Dr. Amit Patel / Dr. Kalpesh Panchal
Date	:	June 30, 2019 (Sunday)
Duration	:	1 day
Number of Seats	:	50
Venue	:	CIMS Auditorium

Programme Overview:

Our newest auscultation course is designed to help Physicians, Interns, MBBS & MD Students to learn different types of heart sound, murmurs and respiratory sounds. This programme will have theoretical lectures on basic concepts of heart sounds & murmurs followed by practical teaching using audio clips of various normal and abnormal heart sound, murmur and lung sound. Dedicated 2 hours session on basic aspects of various respiratory sounds and practical demonstration by audio clips.

Programme Highlight:

- Heart Sounds
- Normal Heart Sound
- First Heart Sound
- Second Heart Sound
- Extra Heart Sounds (S3 & S4)
- Systolic Murmurs
- Diastolic Murmurs
- Mitral Valve Click Sound (mvp)
- Pulmonary Arterial Hypertension
- Mitral Stenosis And Regurgitation
- Aortic Stenosis
- Regurgitation
- Carotid Bruit

Lung Sounds

- Vesicular - Normal
- Crackles - Fine & Course
- Wheeze
- Rhonchi
- Bronchial
- Pleural Rubs

Online registration & payment on www.cims.org/clc

Registration Fees : ₹ 500/-

Spot Registration Fees : ₹ 1,000/-

Non-refundable

> Certificate of attendance will be given at the end of the course.

For any query, please email on : clccommunications@cimshospital.org

Total Knee & Shoulder Service Arthroscopic & Mini - open Surgery To Revision Joint Replacement

Course Directors	:	Dr. Keyur Buch
Date	:	July 7, 2019 (Sunday)
Duration	:	1 day
Number of Seats	:	50
Venue	:	CIMS Auditorium

Programme Overview:

Insightful sessions with faculties to sharpen clinical assessment & decision-making skills beyond the obvious! Tricks & Tips on when, what and how of Osteotomy around knee, Arthroscopic Knee/Shoulder Surgery, Miniopen Shoulder Surgery, UniKnee Replacement, How to choose best implant for primary TKR, Revision Knee Replacement.

Programme Highlights:

- Leading National & International Faculty in Knee & Shoulder
- Interactive Clinical Sessions
- Cutting-edge Workshops
- Opportunity to open doors to high impact International Travelling Fellowship

Online registration & payment on www.cims.org/clc

Registration Fees : ₹ 500/-

Spot Registration Fees : ₹ 1,000/-

Non-refundable

> Certificate of attendance will be given at the end of the course.

For any query, please email on : clccommunications@cimshospital.org

Mechanical Ventilator Workshop

Course Directors	:	Dr. Vipul Thakkar / Dr. Bhagyesh Shah
Date	:	July 14, 2019 (Sunday)
Duration	:	1 day
Number of seats	:	50
Venue	:	CIMS Auditorium

Programme Overview:

Mechanical Ventilator Support is a basic and key life-sustaining system while dealing with very sick patients in ICU. In general, this support is a marker of severity of critical illness. As with any science and technology, constant innovation and advances in the field of Mechanical Ventilator Support are happening. In the current era of popularity and evidences favouring cardio-pulmonary supports like ECMO it is vital to learn, and refresh and be updated technology, science and care of Mechanical Ventilator Support.

Programme Highlights :

- Respiratory Physiology
- Classification of Mechanical Ventilation – basic mode, type of breaths, goals & indications
- Ventilation in different case scenario / disease specific ventilation
- Graphics in Mechanical Ventilation
- Monitoring, care of mechanically ventilated patient
- Weaning from Mechanical Ventilation
- Non-invasive Ventilation & HFNC
- Newer modes of Mechanical Ventilation

Online registration & payment on [www.cims.org /clc](http://www.cims.org/clc)

Registration Fees : ₹ 500/-

Spot Registration Fees : ₹ 1,000/-

Non-refundable

> Certificate of attendance will be given at the end of the course.

For any query, please email on : clccommunications@cimshospital.org

Gastro Update

Course Directors	:	Dr. Bhavesh Thakkar / Dr. Abhinav Jain
Date	:	July 21, 2019 (Sunday)
Duration	:	1 day
Number of Seats	:	50
Venue	:	CIMS Auditorium

Programme Overview:

Insightful sessions with faculty to sharpen the clinical assessment & decision making skills in a variety of gastrointestinal disorders. The clinically oriented sessions will be conducted on GI bleeding, diarrhea, constipation, reflux disease (GERD) and non alcoholic fatty liver disease. The western guidelines and textbooks do not provide insight into the unique problems in our population and, hence the emphasis here will be on Indian guidelines and scenario and application of that knowledge into our routine practice. The programme also includes hands-on workshop on upper endoscopy (only few seats).

Programme Highlights:

- Experienced national faculty
- Interactive clinical sessions
- Handout of Indian national guidelines in respective disorders

Online registration & payment on www.cims.org/clc

Registration Fees : ₹ 500/-

Spot Registration Fees : ₹ 1,000/-

Non-refundable

> Certificate of attendance will be given at the end of the course.

For any query, please email on : clccommunications@cimshospital.org

Diabetes & Endocrinology

Course Director	:	Dr. Vivek Patel
Date	:	August 04, 2019 (Sunday)
Duration	:	1 day
Number of Seats	:	50
Venue	:	CIMS Auditorium

Programme Overview:

Endocrinology is a complex specialty that encompasses a wide range of disorders. The field of Endocrinology is now moving towards an increasingly personalized approach to patient management. This symposium will provide a problem-orientated approach to the management of clinical problems in Endocrinology.

Programme Highlights:

- Diabetes Management in special populations: Elderly, CKD, CLD
- Gestational Diabetes Mellitus
- Diabetic Foot Management: Newer Therapeutic Options
- Management of Diabetic Ketoacidosis: What NOT to do?
- Common mistakes in interpretation of Thyroid Function Tests
- Approach to patient with Hyperprolactinemia
- Management of Osteoporosis: Beyond Bisphosphonates
- Iatrogenic Cushing's Syndrome: How to stop steroids when no longer needed?

Online registration & payment on www.cims.org/clc

Registration Fees : ₹ 500/-

Spot Registration Fees : ₹ 1,000/-

Non-refundable

> Certificate of attendance will be given at the end of the course.

For any query, please email on : clccommunications@cimshospital.org

Art of Clinical Examination

Course Directors	:	Dr. Milan Chag / Dr. Satya Gupta / Dr. Vipul Kapoor / Dr. Tejas V Patel
Date	:	September 08, 2019 (Sunday)
Duration	:	1 day
Number of Seats	:	50
Venue	:	CIMS Auditorium

Programme Overview:

Art of clinical examination is not forgotten in current era! Let us rewind history as it is a must for clinical assessment of any patient. Let us learn the cardiovascular part of history-taking and clinical examination before we go ahead with other diagnostic modalities.

Programme Highlights:

- History taking
- Pulse
- JVP
- General examination
- Inspection and palpation
- Apical impulse
- Chest X-ray

Online registration & payment on www.cims.org/clc

Registration Fees : ₹ 500/-

Spot Registration Fees : ₹ 1,000/-

Non-refundable

> Certificate of attendance will be given at the end of the course.

For any query, please email on : clccommunications@cimshospital.org

Paediatric Rheumatology

Course Directors	:	Dr. Puja Srivastava / Dr. Reena Sharma
Date	:	November 03, 2019 (Sunday)
Duration	:	1 day
Number of Seats	:	50
Venue	:	CIMS Auditorium

Programme Overview:

Paediatric Rheumatology in a nutshell.

Programme Highlights:

- Juvenile Idiopathic Arthritis Management Aspects
- Brief overview of Connective Tissue Diseases in children
- Vasculitis in childhood, beyond Henoch Schonlein Purpura
- Introduction to Autoinflammatory Syndromes

Online registration & payment on www.cims.org/clc

Registration Fees : ₹ 500/-

Spot Registration Fees : ₹ 1,000/-

Non-refundable

> Certificate of attendance will be given at the end of the course.
