CIMS-CON

January 6-8, 2012

2012

Education For Innovation

8th Annual Scientific Symposium, 17th Year of Academics

Organized by

CIMS[®]

Care Institute of Medical Sciences

The Heart Care Clinic
Clinical Care Consultants

Final Program

More than 200 lectures
Highest ever at CIMS-CON

Over 15
International Speakers

Dear Delegates,

We welcome you to CIMS-CON 2012 to be held in the historic city of Ahmedabad.

CIMS-CON has always been planned and designed as a forum to impart the best and the latest-Education for Innovation.

This year's conference will be one of our most comprehensive and educative up to date.

CIMS-CON 2012 will feature over 100 National & International faculty and over 200 lectures to provide an intense educative experience. Experts from all fields will deliver academic insights -discuss and learn about the latest techniques, updates, research and trials to allow you to turn this information into actions that will improve the patients' quality of life.

Bringing together the entire healthcare community, CIMS-CON 2012 will provide you with a richly educational experience and an international platform for expression.

Dr. Keyur Parikh
Conference Chairman

Dr. Milan Chag
Chairman, Scientific Committee

A Focused Three-Day Experience at CIMS-CON with evidence-based medicine, live case transmissions and state-of-the-art didactic presentations

Local Organizing Committee

Conference Chairman

Dr. Keyur Parikh (M) +91-98250 26999

Chairman, Scientific Committee

Dr. Milan Chag (M) +91-98240 22107

Conference Directors & Co-Ordinators

Dr. Anish Chandarana (M) +91-98250 96922

Dr. Ajay Naik (M) +91-98250 82666

Dr. Satya Gupta (M) +91-99250 45780

Dr. Joyal Shah (M) +91-98253 19645

Dr. Ravi Singhvie (M) +91-98251 43975

Dr. Gunvant Patel (M) +91-98240 61266

Dr. Urmil Shah (M) +91-98250 66939

Dr. Hemang Baxi (M) +91-98250 30111

Dr. Dhiren Shah (M) +91-98255 75933

Dr. Dhaval Naik (M) +91-90991 11133

Dr. Dipesh Shah (M) +91-90990 27945

Dr. Shaunak Shah (M) +91-98250 44502

Dr. Nitesh Shah (M) +91-98250 27487

Dr. Amit Patel (M) +91-98243 10150

Dr. Bhagyesh Shah (M) +91-90990 68938

Dr. Vipul Thakkar (M) +91-90990 68935

Dr. Sanjay Shah (M) +91-98980 00265

In Collaboration with
'Association of Physicians of Ahmedabad'

Learning Objectives

- To present scientific sessions that thematically focus on integrated, multidisciplinary care to provide the highest quality patient care.
- To offer a comprehensive review of current established practice patterns in the diagnosis and treatment of cardiovascular disease.
- To provide a forum in which scientists and investigators working on cardiovascular disease can exchange and interact their views and research.
- To provide registrants the opportunity to update their knowledge of available pharmaceuticals, medical devices and literature through interaction with industry representatives.

Target Attendees

- Internal Medicine Specialists
- Cardiologists & Cardiac Surgeons
- Critical Care Specialists
- Pediatricians
- General Surgeons
- Orthopedics
- Post Graduate Students
- Cardiovascular Research Personnel

Conference Information

The Venue:

- The main sessions of CIMS-CON 2012 will be held at Tagore Hall, Ahmedabad, Ahmedabad, INDIA.
- The satellite symposium will be held at Hotel Park Plaza and Hotel Orchid, Ahmedabad, INDIA.
- The certification course will be held at The Grand Bhagwati and CIMS, Ahmedabad, INDIA.

Official Language: The official language of the Conference is English.

Climate: The month of January enjoys a temperature between 14°C-30°C.

Registration: Registration form, duly filled and signed, should be sent to CIMS Hospital by post.

- The registration fee for CIMS-CON 2012 should be in the form of cheque or draft in favour of 'CIMS Hospital Pvt.Ltd.'
- For more registration details, visit www.cimscon.com / www.cims.me

How to reach Ahmedabad: Ahmedabad is well-connected with the rest of the country via a large air, rail and road network.

By Air : Major airlines fly to and fro from Ahmedabad connecting it nationally and internationally.

By Rail : Ahmedabad is on the Western Railway network and well-linked with the rest of the country.

By Road : Ahmedabad has a good road network of National and State Highways. The State Transport Corporation connects it to all the major cities and towns of Gujarat and other states of the country.

Transport: Transport will be arranged for the delegates from the hotel to the conference venue.

Accommodation: Superior hotel accommodation will be provided to all delegates. Please note, hotel rooms will be allocated on a first come first served basis.

January 6, 2012 - Friday (Day-1) Main Session : Tagore Hall, Ahmedabad Satellite Session : Hotel Orchid & Hotel Park Plaza

Certification Course : January 8, 2012 - Sunday (Day-3) The Grand Bhagwati & CIMS Hospital, Ahmedabad

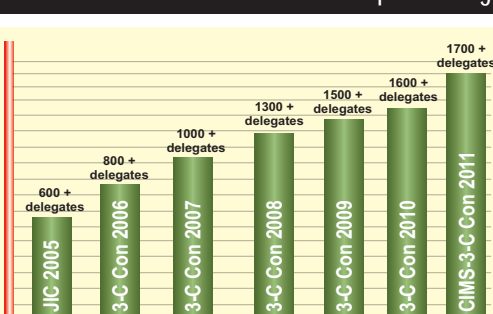

- Clinical Cardiology
- Internal Medicine
- Trauma Care
- Critical Care/Pulmonary
- Neonatal and Pediatric Critical Care

Over 1700 doctors
at
CIMS-3C-CON 2011

Over 10,000 delegates
attended over the last few years

3-C Con 2005 to 2011 attendance : up and rising

National & International Faculty

Dr. Hemang Baxi, MD, DM

India

Interventional Cardiologist. Director, CIMS Hospital. Post Graduate in Medicine (B J Medical College, Ahmedabad). Former Research Fellow at Institute of Cardiology and Research Center, B.J. Medical College, Ahmedabad, Gold medal in Doctorate of Medicine (DM). Has authored many research papers and has extensive teaching experience in the fields of clinical, invasive and interventional cardiology.

Dr. Amit Chitaliya - MBBS, D.Ped, FPCC, FPCCC

India

Consultant Neonatal & Pediatric intensivist, CIMS Hospital. Graduate and Post graduate (pediatrics)-BJ Medical College, Ahmedabad. Completed "Fellowship in Pediatric Cardiac Critical Care" from Narayana Hridayalaya, Bangalore. Has worked as an integral part as senior consultant and developed concept of advanced pediatric critical care at Care Hospital and Lotus Children's Hospital-Hyderabad for over 4 years. Wide experience in neonatology from Charite' Institute-Germany and extensive training for HFOV, ECMO and pediatric F.O. Bronchoscopy from German Heart Institute-Berlin & ERS - France. Over 7 years of extensive experience in pediatric critical care from state-of-the-art centres of India and Europe.

Prof. Rafael Beyar MD, DSc

Israel

Director, Rambam Health Care Campus, and Professor of Medicine and Biomedical Engineering, Rappaport Faculty of Medicine, Technion-Israel Institute of Technology. Recipient of prestigious prizes including the Taub Prize for excellence in Research (1999); nominated by the John Hopkins Society of Scholars for his worldwide contribution to cardiovascular science and establishing the Technion-John Hopkins Collaborations Program on Biomedical Sciences and Engineering. Authored over 150 scientific publications and 11 books, founder and editor of Acute Cardiac Care Journal, and Associate Editor of the Rambam Maimonides Medical Journal.

Dr. Hiren Dholakia, MD, PDCC

India

Cardiac Anaesthetist, CIMS Hospital. Has done his studies from Shree Chitra Institute, Trivandrum and Baroda Medical College. Has done his Post Doctoral Fellowship in Cardiac Anaesthesia from Shree Chitra Institute, Trivandrum. Has worked as a Consultant Cardiac Anaesthetist at India's premier Cardiac institute like Amrita Institute - Kochi, Escorts Heart Institute - New Delhi, Asian Heart Institute. Specializes in Adult & Pediatric Cardiac Anesthesia.

Dr. Niren Bhavsar, MD

India

Cardiac Anaesthetist & Intensivist, CIMS Hospital. Graduate and Post-graduate in Anaesthesiology from M.P. Shah Medical College, Jamnagar. A part of the pioneering team in India in developing Surgical Ventricular Restoration and Heart Failure surgery. Specialist in peri-operative intensive care as well as total cardiovascular critical care support in cardiology. Part of various national and international publications. Also a part of many research projects.

Prof. Uri Elkayam, MD

USA

Professor of Medicine, University of Southern California in Los Angeles. Chairman of the corporate affairs committee of the American Society of Cardiac Failure and fellow of the the American College of Cardiology, American Heart Association and American College of chest physicians. His research and clinical interests are in the areas of congestive heart failure, heart disease and pregnancy, valvular heart disease, cardiomyopathies and cardiovascular pharmacology. Has been involved in more than 100 self initiated, NIH and industry funded research projects and served in a leading position in numerous national and international multi center studies. Author or co-author on over 180 publications and over 80 book chapters and has the distinction of being listed in Best Doctors in America and America's Top Doctors from 2001 to 2011 and as one of the top 100 most influential Israelis in the U.S in 2011.

Dr. Milan Chag, MD, DM, DNB

India

Managing Director, CIMS Hospital. Adult, Congenital and Structural Heart Disease intervention specialist. Recipient of National Merit and Post-graduate Merit Scholarships - had extensive training at India's most prestigious institute namely Jaslok Hospital and Research Center, Mumbai ; Christian Medical College, Vellore and Sanjay Gandhi Postgraduate Institute, Lucknow. The first cardiologist from Gujarat to possess two highest degrees in cardiology - DM and DNB. One of the most versatile and one of the highest volume Interventionalist of India. With 23 years of experience in Cardiology, he has been appointed as a post-graduate teacher in Cardiology by National Board of Examination - the highest medical education body in India. Has been awarded "Lifetime Achievement Award In Cardiovascular Science, Medicine And Surgery" by International Academy of Cardiovascular Sciences, Winnipeg, Canada.

Dr. Satya Gupta, MD, DM, FIC (France)

India

Director, CIMS Hospital. Has done his basic medical education in Rajasthan and DM from Christian Medical College, Vellore. Completed Interventional Cardiology Fellowship from Pitie - Salpetriere University Hospital, Paris. During fellowship, got trained in radial Angiograms & Angioplasties. Former Tutor in Cardiology and Senior Registrar at Christian Medical College, Vellore.

Dr. Anish Chandarana, MD, DM

India

Interventional Cardiologist, Executive Director, CIMS Hospital. Brilliant academic record with many gold medals at graduate, post graduate and doctorate levels. Has been a part of many National & International Research Projects, papers and has extensive teaching experience. Former AP at Institute of Cardiology and Research Center, Civil Hospital, Ahmedabad.

Prof. Guy Heyndrickx Robert, MD, PhD

Belgium

Co-director Cardiovascular Center, O.L.V. Ziekenhuis, Moorselbaan, Aalst. Director Cardiac Catheterization Laboratory. and Director Interventional Cardiology. Professor, Department of Cardiovascular Physiology, University Catholique de Louvain, Brussels. Senior Interventional Cardiologist Cardiovascular Center Aalst, O.L.V. Clinic. Aalst, Belgium. Has authored over 200 publications in peer review journals and holds several positions in national and international professional and scientific organizations. His research is focused on the regulation of coronary blood flow and myocardial ischemia.

National & International Faculty

Dr. Rajesh Hydrabadi, MBBS, MCh

India

Have been performing wide range of Open Procedures in the field of Cardio Vascular and Thoracic Surgery for last 18 Years. Have developed Endovenous procedures in last 5 years. Wish to develop expertise in Endovascular treatment of both occlusive and Aneurysmal diseases of the vascular system. At present doing around 200 vascular procedures per year. Wish to develop expertise in Thoracoscopic and VATS over next couple of years. Attended many National & International Conferences.

Dr. Uday Jadhav, MD, FACC, FESC

India

Consultant Cardiologist, MGM New Bombay Hospital. Professor in Internal Medicine, Maharashtra University of Health Sciences. Fellowship in CT Coronary Angiography at Los Angeles and Winston Salem, USA. Fifty two research presentations in the field of atherosclerosis, dyslipidemia and hypertension. Referee for European Heart Journal, IHJ and others

Dr. Ashit Jain, MD

USA

Well known Interventional Cardiologist practicing for the past 20 years in California, USA. Graduated from University of Delhi, completed Fellowship in Interventional Cardiology and Peripheral Vascular Disease at Ochsner Medical Center in New Orleans, USA. Has developed an extensive clinical research program at Washington Hospital in Fremont, California and is involved in multiple new device research technologies. Has served as site principal investigator on over 26 multi-center clinical research trials and has written and presented many abstracts and publications in the field. A pioneer in Carotid Interventional Programs in the San Francisco Bay area and is affiliated with five hospitals in the East Bay of San Francisco has personally performed over 500 carotid interventions.

Prof. S.K. Kaushik, MD, DM, FACC, FCSI, FIAE, FISC

India

Professor and Head, Department of Cardiology. Principal - R.N.T. Medical College & Controller of Associated group of Hospitals, Udaipur, Rajasthan. Senior Cardiologist of Rajasthan.

Dr. Hema Kulkarni, MD, DM, DNB

India

Professor & Head of the department of Cardiology at the KEM hospital for last 11 years of her career. Visiting member at the Mayo clinic, Cleveland Clinic & Texas Heart Institute in 1983-84. Visiting Professor at Civil Hospital, Ahmedabad & helped establish the department of Cardiology & DM course at that Institute & trained PG students in performing Valvular Interventions & Permanent Pacemaker Implantation. West zone Coordinator for the National Angioplasty registry from 1995 for a period of three years. She was involved in advising DRDO scientist in developing indigenous Implantable permanent Pacemakers. Has been DM examiner for several universities in India and has more than 50 publications to her credit.

Dr. Vinit Lal, MD

USA

Interventional Cardiologist. Did Medical studies from BJ Medical College, Ahmedabad, India. Residency, fellowship in Cardiology & Interventional Cardiology from St. John Hospital and Medical Center, USA. Director of Cardiac Cath Lab at Texas Health Arlington Heart and Vascular Hospital and Director of Heart Failure Clinic and Cardiac Rehab at the Arlington Memorial Hospital.

Prof. Dileep Mavalankar, MD

India

Professor, Public Systems Group at IIM Ahmedabad (On leave) and also Dean of Indian Institute of Public Health, which is collaborative effort of Public Health

Foundation of India and government of Gujarat. Done his Doctor of Public Health (Dr. PH) from Johns Hopkins, School of Hygiene and Public Health, Baltimore, USA., Done his MD in Preventive and Social Medicine Gujarat University, Master of Public Health (MPH) from The Johns Hopkins School of Hygiene and Public Health USA, Acted as a Consultant to various national and international organizations. Has authored many articles in peer reviewed journal and also contributed chapter to books.

Prof. Jawahar L. Mehta, MD, PhD

USA

Professor of Medicine, Physiology and Biophysics, University of Arkansas for Medical Sciences. Has done MD from Punjab University and PhD from Sweden

and Post Graduate education in New York & Minnesota. His basic science and clinical research work includes the biology of LOX-1 receptor and role of antiplatelet drugs in myocardial ischemia and CVA. Has lectured in over 30 countries and has published over 1000 papers, abstracts & book chapters.

Dr. Ajay Naik, MD, DM, DNB, FACC, FHRS

India

Interventional Cardiac Electrophysiologist and Interventional Cardiologist, Director, CIMS Hospital. Born and educated in Mumbai. DM Cardiology at KEM

Hospital, Parel, Mumbai. Fellowship in Cardiac Electrophysiology at Cedars-Sinai Medical Center, Los Angeles, California, USA. Several publications in reputed international journals. International & National Faculty for Cardiac Electrophysiology conferences.

Dr. Aravinda Nanjundappa, MD, FACC, FSCAI, RVT

USA

Associate Professor of Medicine and General Surgery, West Virginia University, Charleston. Has done his basic medical graduation from Adi Chunchunagiri University

of Medical Sciences, Mysore. Has been Director of Vascular Medicine and Peripheral Interventions, East Carolina University. Has been invited as a faculty for many international scientific sessions. On the Editorial Board of Endovascular Today, Vascular Today amongst others. Has authored many paper and book chapters and has been involved in a number of clinical trials.

Dr. Dhaval Naik, MS, DNB

India

Cardiac Surgeon, CIMS Hospital. Graduation and post graduation from BJ Medical College and Civil Hospital, Ahmedabad. Has done his DNB from Apollo Hospitals, Chennai. Was selected as an overseas fellow at Royal Prince

Alfred Hospital, Australia. Affiliated with Sydney Cardiothoracic Surgeons Group. Has worked as an observer at Heartcentre, Leipzig, Germany under Dr. Mohr.

National & International Faculty

Dr.Amit H.Patel, MBBS,DTDC,MD

India

Consultant Pulmonologist and Intensivist practicing in Ahmedabad since last 5 years. Did his Fellowship and Pulmonary and Critical Care medicine from Lilavati Hospital, Mumbai. ICU incharge in Rajasthan Hospitals for 3 years and has now joined as consultant in Pulmonary and Critical Care Department at CIMS Hospital. Areas of special interest are obstructive airway diseases and sleep disorders.

Dr.M.Chandra Sekar, MS,PhD

USA

Associate Professor Pharmaceutical Sciences, University of Findlay, Findlay, Ohio. Adjunct Professor JSS University, Mysore, India. Awarded with ASPET Pharmacology Educator Award and selected to Advisory Board Center of Excellence for Health Sciences, Ahmedabad, India. Speaker at various international conferences and he has to his credit many articles and abstracts published under his name.

Dr.Keyur Parikh,MD (USA),FCSI,FACC,FESC,FSCAI

India

Chairman, CIMS Hospital. One of the senior most Interventional Cardiologists of India associated with pioneering invasive and interventional cardiology work in India, doing Cardiac Interventions since 1985 with triple diplomats of Board of Internal Medicine, Cardiology & Interventional Cardiology (having lived in USA from 1982-1995). Awarded the Order of William Harvey by American College of Cardiology in 1991. Awarded the Prestigious Distinguished International Service Award by the American College of Cardiology in 2004. Has been a Faculty of International Conferences - ACC, Euro-PCR, ESC, TCT, CSI, ICI, C3, etc. Awarded by the International Academy of Cardiovascular Sciences, Winnipeg, Canada – "Lifetime Achievement Award In Cardiovascular Science, Medicine And Surgery" and 'IMA (Indian Medical Association) Dr.K. Sharan Cardiology Excellence Award' by IMA

Dr.Bhagyesh Shah,MBBS, DA, IDCCM, CERTI.IN ID and HIV Medicine

India

Critical Care Physician, CIMS Hospital. Did his P.G.in Anaesthesia from B.J.Medical College, Ahmedabad. Exclusive Critical Care Fellowship training from Apollo Hospitals, Chennai. International working exposure with French and English doctors at Mauritius where he established country's first state-of-the-art ICU and Emergency Department. Got International training certi.in ID & HIV Medicine from Canada & USA. Special interest in ICU interventions, ID, Pulmonary & Travel Medicine. Has active academic interest as a speaker in teaching medicos, para medicos and public about health care, Infectious diseases and control in many conferences and CMEs in India and around the world.

Dr.Manish Parikh,MD

USA

One of the top interventional cardiologists in the New York State Angioplasty Registry. Joined Prof. Martin Leon at Columbia University & Heads (Cardiology Education Department).

Prof. C.Thomas Peter,MD,FACC,FACP,FCCP

USA

Professor Emeritus, Cedars-Sinai Medical Center and David Geffen School of Medicine at the University of California, Los Angeles (UCLA), USA. Has been at Cedars-Sinai Medical Center since 1977 and has been Director of Electrocardiology and Electrophysiology for more than 20 years. Named holder of the Wasserman Chair in Clinical Electrophysiology in 1997. Awarded the Excellence in Teaching Award from UCLA. Received his medical degree in Medicine and Cardiology at the King Edward Memorial Hospital in Bombay. Medical degrees in Medicine and Cardiology in Melbourne University while working at Royal Melbourne Hospital.

Dr.Dipesh Shah,MS,MCh

India

Cardiothoracic Surgeon, CIMS Hospital, Ahmedabad. Done his Fellowship in Advanced Cardiovascular Surgery from Mayo Clinic College of Medicine, Division of Cardiovascular Surgery, Rochester, MN, USA. Holds Educational Commission for Foreign Medical Graduate (ECFMG) certification and has been a part of many presentations at regional, national and international meetings. Fields of interest are Heart Failure Surgery, Ventricular Assist Services and Cardiac Transplantation.

Dr.Carlos Ruiz, MD

USA

Director, Division of structural and congenital heart disease, Dept. of Interventional Cardiac Vascular Services, Lenox Hill Heart & Vascular Institute, New York. Professor of Pediatrics & Medicine & Past Chair of Pediatric Cardiology at the U. of Illinois at Chicago. Published over 225 articles on different subjects. One of the pioneers of the double-balloon mitral and aortic valvuloplasty technique and has been a pioneer in the emerging field of percutaneous cardiac valve implantations.

Dr.Dhiren Shah,MB,MS,MCh (CVTS)

India

Director, CIMS Hospital. Specializes in adult cardiac surgery, heart failure surgery, valve repairs, etc. Trained in Mitral Valve Repair under Dr. Alain Carpentier and Dr. Phan At Alain Carpentier Foundation Hospital, Vietnam and already has an experience of over 3000 open heart surgeries. Has various publications in national and international journals. Has been a part of many national and international research Projects.

National & International Faculty

Dr. Joyal Shah, MD, DNB

India

Interventional Cardiologist, CIMS Hospital. Completed his DNB Cardiology training under Dr. Milan Chag. Did MBBS, MD (Internal Medicine) from M. P. Shah Medical College, Jamnagar, and fellowship in cardiology at Sterling Hospital. Associated as a co-investigator in many clinical research projects. Vast experience in non invasive, invasive and interventional cardiology.

Dr. Nitesh K. Shah, MBBS, MD (Chest)

India

Senior Consultant Pulmonologist, CIMS Hospital and other corporate hospitals in Ahmedabad. Pioneer in Ahmedabad in the field of fiberoptic bronchoscopy. Has vast experience in obstructive airway disease & interstitial lung disease and sleep medicine. Honorary Secretary of Association of Chest Physicians of Gujarat.

Dr. Sanjay Shah, MS, DNB (Gen Surgery), DNB (Trauma Care) DSTC, ATLS

India

Director, CIMS Trauma Centre. First Qualified Trauma Surgeon in India. Faculty in ATLS, India. Did his postdoctoral fellowship in Trauma-Care at L.T.M.G. Hospital, Mumbai, India. Holds a wide experience in Traumatology and General Surgery. Done DSTC from Johannesburg Trauma Centre, South Africa. Performed more than 400 craniotomies for various indications, 20 Emergency thoracotomies and more than 200 Emergency Laparotomies.

Dr. Shaunak B. Shah, MS, MCh, DNB

India

Pediatric and Adult Cardiac Surgeon, CIMS Hospital. Did his MBBS & MS from Medical College, Baroda. Obtained MCh and DNB in Cardiac Surgery at Sanjay Gandhi Post Graduate Institute of Medical Science, Lucknow. Trained in Congenital Heart Surgery at Chennai under Dr. K.M. Cherian. In addition to Pediatric Cardiac Surgery, his other area of interest is GUCH (Grown up Congenital Heart Disease), Aortic Root problems (Bentall's and Ross procedure) and Post-MI VSDs.

Dr. Urmil Shah, MD, DM

India

Interventional Cardiologist, Director, CIMS Hospital. Over ten years experience in intensive care in Clinical Cardiology, non-invasive cardiac investigations, all Cath Lab procedures. Special interest in Primary Angioplasty. More than 100 national & international publications to his credit; faculty at many cardiac conferences. Awarded fellowship by Cleveland Clinic Foundation, Ohio, USA as International Scholar in Interventional Cardiology Department.

Dr. Samin K. Sharma, MD, FACC

USA

Zena and Michael A. Wiener Professor of Medicine (Cardiology) Mount Sinai School of Medicine, New York. Co-Director, Zena & Michael A Wiener Cardiovascular Institute Mount Sinai Hospital, New York. Fellowship in Interventional Cardiology, Invasive/Nuclear Cardiology from Mount Sinai Medical Center and Hospital, New York. Has published over 100 articles and over 250 papers, abstracts and book chapters. Over 150 workshops and guest lectures under his name. Awarded The Simon Dack award for "Outstanding teacher of the year", Mount Sinai Hospital, NY 2000. Governor's award of excellence for outstanding contribution to Medicine, New York State May 2006. NY Times Magazine list of "Superdoctors in New York City" 2008-10.

Dr. Kashyap Sheth, D Ped., MD, DNB (Ped), FNB (Ped)

India

Consultant, Department of Pediatric Cardiology, CIMS. Has done his basic medical education from NHL Medical College and FNB from Escorts Heart Institute & Research Center. Gained experience in pediatric cardiology at VS Hospital, Ahmedabad, Deen Dayal Hospital, New Delhi and Escorts Hospital, New Delhi. Ex-Asst. Professor in Pediatric Cardiology at U.N Mehta Institute of Cardiology and Research Center, Ahmedabad. Has published articles and abstracts in reputed journals along with case presentation at conferences.

Dr. Ravi Singhvi, MD, DNB

India

Interventional Cardiologist, CIMS Hospital. Completed his DNB Cardiology training under Dr. Keyur Parikh & Dr. Milan Chag. Passed DNB exams in 2010-11. MBBS, MD (Internal Medicine) from R.N.T. Medical College, Udaipur. Vast experience in non invasive, invasive and interventional cardiology. Associated as a co-investigator in many clinical research projects.

Prof. Lars Wallentin, MD, PhD

Sweden

Uppsala Clinical Research Centre. Director of the First Swedish Competence Center for National Quality Registers in Health Care. Was the first Professor of Cardiology at Uppsala University Hospital, Founded the Cardiothoracic Center at Uppsala and the Uppsala Clinical Research Center. Received several prestigious research awards and is a member of numerous medical societies, task forces, working groups and editorial boards. Chairman of the Committee for National Guidelines for Treatment of Heart Diseases in Sweden. Has published more than 300 papers in peer-reviewed international journals, in addition to large numbers of other publications and book chapters. His main scientific contributions have concerned unstable coronary syndrome, an area in which he has developed many new concepts concerning pathogenesis, diagnosis, risk stratification, and antithrombotic and interventional treatments.

Dr. Vipul Thakkar, MD, IDCCM, DNB Fellowship

India

Critical Care physician, CIMS Hospital. Has done under graduation as well as post-graduation from B.J. Medical College, Civil Hospital, Ahmedabad. Has worked as a consultant anaesthesiologist at District Hospital Bhuj, later he pursued Indian Diploma in Critical Care Medicine (IDCCM) from Hinduja Hospital, Mumbai and additional qualification in Intensive Care Medicine-NBE fellowship from Lilavati Hospital, Mumbai. Keenly interested in development and establishment of good quality of Critical Care Units and practices in Gujarat and has special interest in teaching and training Critical Care nursing, developing stroke and comprehensive trauma care unit and improving cost-effectiveness in Critical Care Units.

CIMS-CON 2012 Schedule Day-I

Day-1, January 6, 2012, Friday, Venue : Tagore Hall

07.00 AM	REGISTRATION & BREAKFAST
08.15 AM	Introduction - Dr. Keyur Parikh, India
08.30 AM	Year in Cardiology : An Update for Physicians - Dr. Keyur Parikh, India
08.50 AM	Arterial Hypertension-Diabetes-Heart Failure-Renal Nerves and Renal Denervation - Dr. Keyur Parikh, India
09.05 AM	A-Z Trials of 2011 in Cardiology - Part 1 - Dr. Milan Chag, India

Plenary Lectures

09.35 AM	PL-1 : Acute Myocardial Infarction: From Pathophysiology to Therapeutic Targets - Prof. Guy Heyndrickx Robert, Belgium
09.55 AM	PL-2 : Overview of percutaneous MV therapies - Dr. Carlos Ruiz, USA
10.15 AM	PL-3 : Antiplatelet Therapy in ACS: Emerging Evidence - Prof. Lars Wallentin, Sweden

10.35 AM Tea Break

CAD in special populations : Challenges & Management

10.45 AM	CAD in very Elderly - Dr. Urmil Shah, India
11.00 AM	CAD in very Young - Dr. Hemang Baxi, India
11.15 AM	CAD in Women - Dr. Anish Chandarana, India
11.30 AM	Non-invasive tools : CACS - Dr. Satya Gupta, India
11.45 AM	Non-invasive tools : C-IMT - Dr. Joyal Shah, India
12.00 PM	Panel Discussion

Arteries & Valves

12.10 PM	TAVI : A Reality - Dr. Milan Chag, India
12.25 PM	Save the Limb-2012-An Update - Dr. Aravinda Nanjudappa, USA
12.40 PM	Coronary Stents : Present and Future - Prof. Rafael Beyar, Israel
12.55 PM	Panel Discussion

01.05 PM Lunch

How to manage ?

02.05 PM	Pulmonary embolism - Update in diagnosis, risk satisfaction and management - Dr. Urmil Shah, India
