CIMS

Care Institute of Medical Sciences

Dear All,

The CIMS Team would like to thank the medical fraternity for the overwhelming response provided to the hospital. The hospital is now functioning in full swing.

Since the day we began, it has been non-stop dedication. A time of joy, hope, hard work and sincere 24x7 commitment to see a smile on the patient's face.

The entire team at CIMS-medical, para-medical and administrative- has been working tirelessly and sincerely to serve the patients.

And it has been worth every minute of it.

With a motivating response from patients and our professional colleagues, CIMS is inspired to do better and better, each day.

We are grateful to all for the support provided to us and will ensure that the faith bestowed upon is justified.

On September 10, 2010, CIMS Auditorium opened its doors with an Academic Program by Dr. Ashit Jain, USA. Dr. Ashit Jain held a successful Endovascular Workshop on the same day. This is the first in a series of workshops to be regularly held at CIMS in its various departments.

We also plan to arrange Public Lectures on Preventive Health Measures on a regular basis at CIMS; the schedule will be announced later.

We hope this newsletter will serve as a dialogue between us. You are welcome to write to us at the hospital address or email on communication@cims.me.

Thanking you,

CIMS Team

CIMS Departments

- ◆ Allergy
- ◆ Anesthesiology
- ◆ Arthroscopy and Sports Medicine
- ◆ Bone Marrow Transplant
- ◆ Cardiology
- ◆ Cardio-thoracic Surgery
- ◆ Cosmetology
- ◆ Critical Care
- ◆ Dentistry

Dr. Navin Nanda
The pioneer of echocardiography at CIMS

An informative and excellent academic program at CIMS

Dr. Navin Nanda has had a distinguished career as a teacher, pioneer and innovator in various aspects of echocardiography and clinical and preventive cardiology.

He has trained thousands of physicians, echocardiographers and technologists around the world.

CIMS is honoured to have Dr. Navin Nanda visit and grace us with his knowledge and experience.

November 27, 2010

Topics for CME

- Application of Newer modalities in Echocardiography with live Demonstration by the Master :
 - 3D Echo
 - Contrast Echo
 - Tissue Doppler
 - Strain rate

*It is mandatory to register for CME with
Mr. Ketan Acharya (M) +91-98251 08257
Mr. Mahendra Desai (M) +91-90990 66527
(Very limited registrations open)*

Organized by

CIMS Hospital, Nr. Shukan Mall, Off Science City
Road, Sola, Ahmedabad-380060.
Phone : +91-79-2771 2771-75 (5 lines)
M : +91-98250 66664, 98250 66668

Endovascular Workshop on September 10, 2010

Dr. Ashit Jain, (Interventional Cardiologist, USA) was at CIMS and performed stenting on 6 patients with blocks in the brain, leg and carotid artery who benefitted from this workshop.

"CIMS has turned out to be one of the finest medical facilities in the country. It is a 'complete' medical experience, where patient experiences not only the best medical care from the finest doctors, but in a superb facility, full of people who care for all human needs. I am glad and proud to be a part of such a medical facility. I hope we can continue to keep this high standards forever."

- Dr. Ashit Jain

"I was admitted to CIMS in a Suite with best possible facilities, where the staff was fully prepared to receive me. On 10th Morning I was once again taken to the Cathlab. It was a pleasure to undergo Angioplasty with the finest team of Doctors led by Dr. Ashit Jain and Keyurbhai. I was amazed with the expertise by which stenting was done on my left femoral artery with excellent result. The total culture of Hospital is grand. I felt comfortable to walk without pain and was discharged with greetings from each and everyone. I left CIMS on 11.09.2010 with fresh energy. I convey my heartiest sentiments about the wonderful facilities and expertise at CIMS."

- Dr. K. C. Chaudhary

CIMS Vascular Interventional Course | September 10, 2010

Nearly 100 physicians attended the academic program of Dr. Ashit Jain in collaboration with leading Neurologists of Ahmedabad
Dr. Shalin Shah, Dr. R. S. Bhatia, Dr. Parindra Desai

An interesting fact

At the famous temple of Somnath, which stands at the seashore in Saurashtra (Gujarat), is a pillar facing the Arabian Sea. This pillar is constructed on such a spot that no land comes between the pillar and the South Pole.

First Overseas patient at CIMS

Iman, a little 5 year old girl from Iraq had congenital heart disease (Tetralogy of Fallot). She was quite sick, unable to play or even walk as she had severe breathlessness. Father contacted Dr. Milan Chag – Senior Cardiologist at CIMS – who arranged her treatment at CIMS – the first overseas patient treated by CIMS team of Cardiac Surgeons, Cardiologists and Cardiac Intensivists.

I, father of Iman am unable to express my feelings. You are really Angels of Mercy. I thank all doctors, nursing staff and administrators for saving my daughter's life. You, Dr. Milan and your friends have given a new life to my daughter. I shall forever remember your kindness, generosity. I and my daughter were lucky to be here. All people in Iraq need your expertise. Lots of thanks,

- Ra'ad Mohammed Al-shammari
Father of Iman
IRAQ

International patient services includes

- ◆ Appointment Scheduling
- ◆ Treatment Packages in Advance
- ◆ Visa Assistance*
- ◆ Airport Pick-n-drop facility
- ◆ Hotel reservations assistance
- ◆ International newspapers
- ◆ Ambulance pick-up, if required

Book-Post

We not only
think 'green'
we act 'green'

CIMS : One of the first
green hospitals of Asia

Sunlit
Courtyards

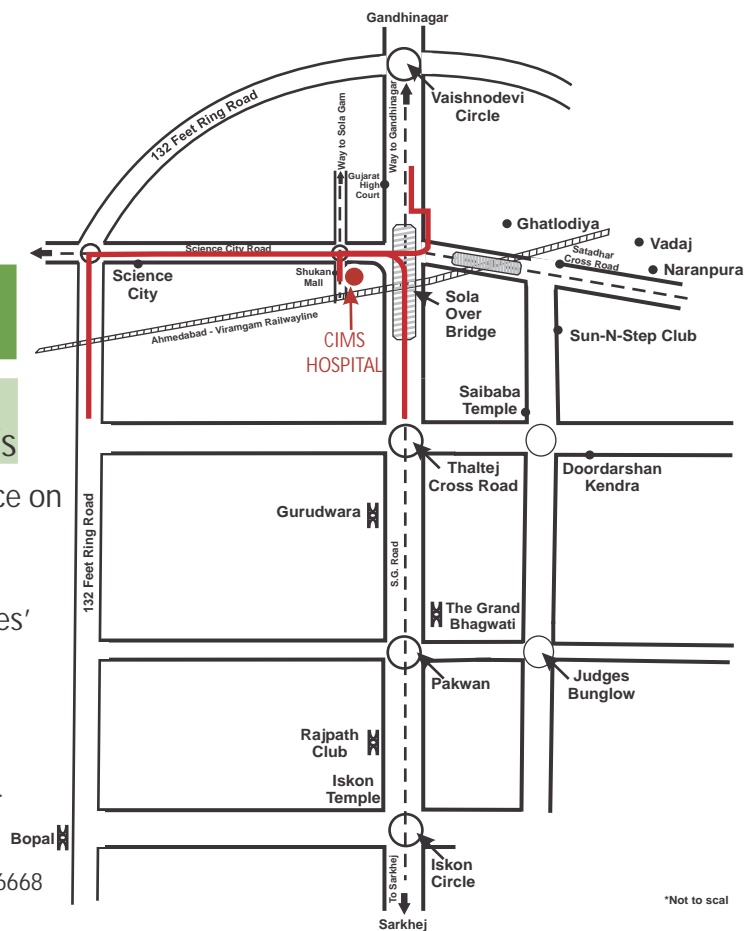

Open to the Sky
Green ICUs & OTs

- Open-to-sky areas minimize dependence on artificial light - thus energy is saved
- Green plantations within the building contribute to the cause of 'save the trees'
- Landscaping with local plant species

A Green Initiative
